

Dear Friends,

If you enjoy the beautiful sound of children singing during the holiday season, you will not want to miss this opportunity to show your support. The community and the many children who benefit from Phoenix Children's Chorus will joyously sing your praise, as you show your goodwill and help keep the mission of the Chorus alive in Phoenix.

As you may be aware, the Phoenix Children's Chorus attracts a culturally diverse, co-educational group of 400 students from second grade through high school throughout the valley. We have two rehearsal locations; The Phoenix Center for the Arts and Chandler Gilbert Community College for our East Valley members. The program serves our young people by teaching the fine art of choral singing. Its mission is to provide a comprehensive choral music education with performance opportunities in a positive learning environment that fosters team effort, self-discipline, and self-esteem to young people in the Valley of the Sun.

The Encore and Concert Choirs have both received prestigious awards and experienced musical opportunities that they will remember for a lifetime. International experiences include tours and performances in Ireland, Germany, Russia, Mexico, Canada, China, Italy, and Argentina. This summer, the touring choirs will perform in Sydney, Australia. We are so pleased with the quality of music our children produce and we look forward to being able to give them more tour opportunities.

We are truly grateful to the Friends of the Phoenix Children's Chorus. It is through their time and fund raising efforts that we are able to maintain affordable tuition, provide scholarships, expand tour opportunities, and facilitate a program of excellence for children from all socioeconomic levels.
