

Coffee & Tea Fundraiser

Coffee Orders Due
April 2nd & 4th

Chorister Pick Up Date
Saturday, April 27th

The Phoenix Children's Chorus is a program that serves a culturally diverse co-educational group of more than 400 students from the metropolitan Phoenix/Mesa area. The curriculum is designed to teach young people, from second grade through high school, the fine art of choral singing. Your support will ensure that choristers have opportunities for life changing experiences, including traveling the world and receiving exposure to other cultures.

It is through fund raising efforts that we can maintain and provide affordable tuition, scholarships, tour opportunities, and a program of excellence to children from all socioeconomic levels. The success of this organization depends greatly on the generous support of our benefactors.
